

Divine Openings Mini-Retreat

SUNDAY
DECEMBER 5
3 - 6 PM

with Roxanne Darling, *Divine Openings Giver*

Let The Divine do the heavy lifting!

Divine Openings initiates or deepens spiritual enlightenment, upgrades your DNA, lights up your light body, wakes up your full power, ignites your Divine Intelligence (inner genius), and resolves your issues. We humorously refer to it as getting on the automatic upgrade program of spiritual awakening. Once it begins, it keeps unfolding like a beautiful lotus, in every area of your life.

— Lola Jones, *Things Are Going Great in My Absence*

Roxanne is Fab-u-lous! Now, I am more able to turn things over to the Divine and simply have conversations with the Divine, something I just could not do in the past for whatever reason (no story now). My business has begun to flourish. In fact, when I got off a Divine Opening call with Roxanne, a new order had come in for my company while on the call! Talk about fast!
